MEDIA RELEASE

TWELFTH MALAYSIA PLAN, 2021-2025 (12MP) ONLINE PUBLIC ENGAGEMENT

The Government through the Ministry of Economic Affairs (MEA) is in the process of preparing the Twelfth Malaysia Plan, 2021-2025 (12MP), which will be tabled in Parliament in August 2020.

The 12MP is the first phase of the Shared Prosperity Vision 2030 (WKB) which aims to achieve a decent standard of living for all Malaysians by 2030. The 12MP is encompasses three dimensions, namely economic empowerment, environmental sustainability and social re-engineering, which will be supported by policy tools and governance. All three dimensions will also be aligned to the Sustainable Development Goals (SDGs) under the 2030 Agenda by the United Nations.

The Government remains attentive and takes appropriate measures to support economic growth and ensure that the nation's wealth and prosperity are equitably shared by all Malaysians. In addition, a series of consultation have been held, among others include the Kick-Off Conference of the 12MP and engagement sessions with all state governments.

In efforts to enable all levels of society to share views and suggestions regarding the direction of national development, a dedicated website for the 12MP has been launched. All submission, particularly constructive suggestions will be considered as inputs in the 12MP.

In this regard, MEA welcomes all parties, including the private sector, academia, non-governmental organisations and the general public to share valuable suggestions through an official website ***rmke12.mea.gov.my*** and hashtag **#RMKe12** on social media such as Facebook, Twitter and Instagram. **Suggestions can be submitted from 5 November 2019 to 31 December 2019.**
